Minutes of Mountview AGM held 6th May 2018

Minutes of the AGM were circulated to most members with the notice sheet via email this week. Copies are available on the bench in the foyer this morning.

Threat of Destitution and Homelessness

The Australian Churches Refugee Taskforce is asking us to take urgent action advocating against the Federal Government's plan, expected to start in June, to remove basic financial support over the next 12 months from up to 12,000 people who are lawfully going through a refugee protection process. Any removal of financial supports will result in destitution and homelessness for many of the people. We are asked to contact the Prime Minister and Members of Parliament expressing our concern about this matter. A pamphlet with information about this is on the noticeboard or you can go to the Australian Churches Refugee Taskforce website for more information at www.acrt.com.au

Warm wishes

Good wishes and fond remembrances have been received from former member of both Congregation and Maroondah Singers, Enid Churcher, for our worship and celebration this morning.
