#### **Brunswick Uniting and Climate Change**

Brunswick Uniting Church Council has adopted a resolution to recognise that this is a time which requires urgent action for climate justice. The congregation is committed to developing a church community climate crisis plan (originally to be available this month, but delayed by COVID-19); to better understand how discipleship is impacted; to develop targets to become carbon positive (both the church and households); to engage with the wider church and local communities on the topic; to lobby governments and businesses; and to commit resources to implement the plan. Information on Brunswick's climate action is on their website <https://brunswick.unitingchurch.org.au/> then clicking the "Earth Button" on the Welcome page
