Nurturing our people in the Christian faith and reaching out
to the local community in the power of the Holy Spirit

Sunday 6th September 2020 Pentecost 14_A Holy Communion

After Pentecost: A period of time that varies in length depending on whether Easter is early or late. In this period the Church recalls its faith in the Holy Trinity.

It seeks to relate its faith as a people of God to Christ's mission in the world.
It commences with Trinity Sunday and concludes with the feast of Christ the King.

Food for Thought

Following up from Rev. Tina's suggestion in her Young at Heart – Reaching Out Into The Community and the World, (Worship Resources 30th August), the Centre 81 Committee thought that it would be good, in the time of COVID-19, to reach out to the Community in which we live, by developing a partnership with the Police, by providing very basic Care Packages. These would be delivered to the local Police by us, and distributed by them to the very needy people they see in the course of their daily work. (This would in no way take the place of our Christmas Hampers, which we prepare every year for our clients and others.)

If you would like to be involved, here are some suggestions:

When you do your weekly shopping, simply add something from the list below, keep adding over the coming weeks and store the items at home until we know more about the COVID Restrictions.

We envisage collecting and packing the hampers at Centre 81, but there will be a Plan B, if this is not possible.

The Police plan to distribute their "Christmas Edition" at the end of November, early December, and following that, quarterly from next year, as they are expanding the areas which will receive the "Care Packs".

Items such as these are all very acceptable: toilet paper, basic toiletries, chocolate, tinned vegetables, Cuppa Soups, snack foods such as packets of shapes/biscuits/muesli bars, pasta and pasta sauce, canned fruit, baked beans/spaghetti, individual serves of breakfast cereals, fruit juice (small packets), single serve jelly/fruits, colouring books and pencils.

When you have been out walking, have you noticed the families of decorated spoons popping up in your local neighbourhood, in the gardens around schools, churches and scout halls etc? We could have a collection in the garden at Mountview, or, wouldn't it be good to include a decorated spoon, and perhaps a hand-made card, with some words of encouragement inside, also to be included in the Care Package?

Would anyone be interested in decorating a spoon or making a card—a good COVID activity!

We hope that you will think positively about helping us in this Community effort. Should you have any queries, please do not hesitate to contact me. Shalom to you all, Jill Kidd

Happy Fathers' Day
