COVID-19 VICTORIA FAQs

METROPOLITAN MELBOURNE & BALLARAT | SEPTEMBER 16 2021

***Permitted Worker Permits are now required for anyone who is unable to work from home and whose work is permitted/essential under the current restrictions. This will again apply to all staff, ministers and volunteers of the Uniting Church. See below for further detail.**

How you can help ensure Melbourne's lockdown ends

Please regularly check the list of exposure sites at www.coronavirus.vic.gov.au/exposure-sites

If you have been to any of those locations during the periods listed, follow the relevant advice for that exposure site.

Metropolitan Melbourne is defined as consisting of the following Local Government areas: Banyule, Bayside, Boroondara, Brimbank, Cardinia, Casey, Darebin, Frankston, Glen Eira, Greater Dandenong, Hobsons Bay, Hume, Kingston, Knox, Manningham, Maribyrnong, Maroondah, Melbourne, Melton, Monash, Moonee Valley, Moreland, Mornington Peninsula, Nillumbik, Port Phillip, Stonnington, Whitehorse, Whittlesea, Wyndham, Yarra, Yarra Ranges

ROADMAP OUT OF LOCKDOWN

When will we see restrictions ease in Metropolitan Melbourne?

- ▶ There will be no further easing of restrictions until at least 70% of the eligible population has had at least their first vaccination. This will be the target for the next modest relaxation of restrictions.
- ▶ Subsequent easing of restrictions will not occur until at least 70% of the eligible population has had both vaccination doses.

When will we achieve 70% of first-dose vaccinations?

Current modelling suggests that this first target will be achieved around September 23. Premier Andrews has stated that if the target is achieved earlier, restrictions will ease earlier.

What restrictions are likely to ease once we achieve 70% first-dose vaccinations?

The Premier has indicated that the following restriction will be included in the next easing:

- ▶ Travel distance from home for shopping and exercise will increase from 5km to 10km
- ▶ Exercise limits will increase from 2 hours to 3 hours per day
- ▶ Childcare to reopen
- ▶ Basketball courts, skate parks and outdoor exercise equipment will reopen
- ▶ Real estate private inspections (sale or end-of-lease) can resume in unoccupied premises
- ▶ Construction industry restrictions will ease, subject to on-site staff vaccinations.

PERMITTED WORKER PERMITS

Who needs a Permitted Worker Permit?

The only people who may attend any workplace are those whose work activities are permitted under current Covid Restrictions (see the next section *How is 'permitted' work defined?*).

Note: Anyone in Ballarat who recently obtained a Permitted Worker Permit may continue to use these. You do not have to reapply if you still have your permit.

Anyone who lives and/or works in Metro Melbourne or Ballarat, whether paid (staff) or unpaid (volunteers), doing any type of **permitted work** at any workplace other than from their own home is required to have a Permitted Worker Permit and to carry that permit with them at all times whilst working. Students attending face-to-face adult education which cannot be undertaken remotely are also required to carry a permitted worker permit.

Where do we send completed Permit applications?

Completed applications must be sent to CrisisManagement@victas.uca.org.au.

Synod’s Crisis Management Team is asking that every workplace co-ordinate this with all staff and volunteers at that workplace, so that all applications are gathered for that workplace, and submitted to Synod in one or two emails.

What happens next?

Synod’s Crisis Management Team will review the application. If it meets the Permitted worker criteria, it will be approved by the Associate General Secretary and returned to you via email.

How long does it take to get approval and what happens while I’m waiting?

Permits will be approved and returned as quickly as is humanly possible, but this may take a little longer initially due to the expected number of applications received. Please be patient.

Meanwhile, if you were issued with a Permitted Worker Permit in 2020 you should carry this until your 2021 permit arrives. If you were not issued with a Permitted Worker Permit in 2020 you cannot attend the workplace after 11.59pm Tuesday August 17 until you receive your 2021 Permit.

What happens if I don’t get a valid Permitted Worker Permit?

There are substantial fines for leaving home for work purposes without having a valid Permit, or for completing the form with false or misleading information. Penalties are up to \$21,808.80 for individuals or up to \$109,044 for bodies corporate/ organisations.
